TO HARASS MR. GLADSTONE

Scheme of the Unionist Leaders | From San Fran. to Demoralize the Home

Balfour, Mr. Chamberlain and Lord Randolph Churchill, Sir Henry James and Mr. Goschen, have de-Monowal Nov 16 ALAMEDA Nov 16 cided upon obstruction to the home rule bill in a new form. They are preparing to hold back the government business by obstructing the work on the estimates.

The home rule bill will be got through the house of commons about August 21. Under ordinary circumstances a fortnight more would wind up the business of the session.

The game of the unionists is, however, to protract the session, despite heat and exhaustion, for weeks after the house of lords shall have rejected the bill.

They intend to accomplish their purpose by means of endless motions and divisions on the financial votes. They hope thus to reduce the government majority to the minimum and eventually to drive the ministry to a premature dissolution by their prolonged brawling and bullying.

The dissolution is now the goal of the unionists' effort, for the unionist leaders are confident that | Ice Cream, Sherbsts, Sodas, another appeal to the public would result in a liberal defeat. They say that Mr. Gladstone's repeated concessions to the Irish have alienated from him thousands of unionist electors.

To their minds any means to hasten the approach of the next general elections are justified. -Ex.

To Get Rid of Sugar Auts.

There are many alleged efficacious ways to get rid of those troublesome pests, the sugar ants. A late one is to sprinkle powdered sugar through a dry sponge and leave it on the closet shelf; in a short time it will be full of the buis, insects: take the sponge gently then and drop it in boiling water. A few such massacres will, it is said, depopulate the most infested places.—New York Times.
